Need Information:

A large empty rounded rectangular box with an orange border, intended for contact information.

With each order Rotech will provide supplies necessary to administer NPWT with RENASYS[®] GO.

RENASYS GO is distributed by **ROTECH[®]** HEALTHCARE INC.

The information herein is intended for healthcare professionals. RENASYS is contraindicated in the presence of untreated osteomyelitis, exposed arteries/veins/organs/nerves, necrotic tissue with eschar present, malignancy in the wound, non-enteric and unexplored fistulas, and exposed anastomotic sites. Excessive bleeding is a serious risk associated with the application of suction to wounds, which may result in death or serious injury. For full product and safety information, please see the Instructions for Use.
